Tourism Ireland launches online Game of Thrones® quiz

Tourism Ireland is putting Game of Thrones® fans to the test! Our new online quiz has been specially created to highlight Northern Ireland and its strong connection with the hugely popular HBO drama.

The quiz – “6 filming locations only true Game of Thrones® fans will recognise” – is challenging GoT fans to tell the difference between images of real filming locations and other images which are simply stunning Northern Ireland landscapes.

It's being shared through our social media channels (3.6 million Facebook fans and 345,000 Twitter followers) and on Ireland.com (16.6 million views in 2015) – to engage with fans everywhere and encourage them to come and discover the real world Westeros, to see the spectacular mountains, lakes and coastline of Northern Ireland.

Tourism Ireland's quiz is showcasing Northern Ireland's stunning scenery to GoT fans around the world.

Tourism Ireland's hugely successful 2016 Game of Thrones® campaign, created in partnership with HBO, has just finished. It's been promoting Northern Ireland to millions of the show's fans worldwide since season six began back in April. Read more about the campaign, [here](#).

Take the quiz and test out your knowledge of Game of Thrones® locations, [here](#).
