Tourism Ireland leads sales mission to India and the UAE

Tourism Ireland's 2019 sales mission to India and the UAE is under way. A delegation of tourism companies from the island of Ireland is participating in the targeted sales mission, to grow tourism from both markets.

The companies from Ireland – including hoteliers, visitor attractions and destination management companies – are meeting and concluding deals with around 300 tour operators and travel agents in Mumbai, New Delhi, Abu Dhabi and Dubai. The delegation is also meeting influential travel journalists and bloggers, highlighting why the island of Ireland is such a wonderful choice for a holiday.
