Tourism Ireland unveils two new online films

Tourism Ireland has launched two new online films to encourage visitors from overseas to come and enjoy our literary and architectural heritage and stand-out design, as part of their holiday experience.

Belfast – Design City urges people to come and *“be enticed and surprised by beautiful design in Belfast”*. It features wonderful images of the city and includes places like Derek Wilson Ceramics, John Piekaar bespoke furniture, The Bureau Belfast, Maven interiors and gift shop, Oscar and Oscar architects, The Mac, St George’s Market and the Lyric Theatre.
