Watch: Tourism Ireland's biggest ever sales mission to China

Our biggest ever sales mission to China took place earlier this month – with a delegation of 29 senior representatives from 24 tourism enterprises from around the island of Ireland visiting the cities of Beijing, Shanghai, Guangzhou and Hong Kong, to grow our share of this rapidly-growing tourism market.

Next month sees the commencement of two new flights to Dublin from Beijing and Hong Kong – direct flights, representing around 1,700 airline seats each week, for the first time ever from the Asia Pacific Region to Ireland.
